PLANNING FORM

PG-2

Team Logo

Designing your team identity

Instructions

Complete this form by answering the questions below. Then carefully sketch three possible logo designs for your team in the boxes provided. Be sure to incorporate the team colors, team name, and mascot (if applicable) into your logo design. You will be designing each logo on the computer and selecting one to use throughout this simulation.

What is the name of your team?

What are your team's colors?

What is your team's nickname (if applicable)?
